Part A - Policy

1.1 This policy's purpose is to highlight to applicants Barton Town Council's grant funding procedure and to act as a point of reference for councillors when reviewing applications.

1.2 To ensure that fair and proper consideration can be given to all requests, the Council requires a fully completed application form to be submitted to the Town Council either through the online application form, via email or through the post.

1.3 If the organisation is a new entity with no accounts available, please provide a brief overview of what your organisation/project is, your aims and objectives and why you're seeking funding, where this is not possible applicants should seek advice from the Town Clerk. Award of the grant shall be by discretion of the Council and decisions are to be resolved by either the community committee or full council

Priorities

2.1 The priorities in awarding grants are set out below:

To benefit communities in the Parish of Barton Upon Humber by supporting organisations and projects which help to improve safety, recreation, education, community pride, sports, art and culture.

General information for applicants

3.1 Grants are available up to £1,000 and the amount awarded will be determined by the Town Council. At our discretion we will award a sum greater than £1,000 if financial resources allow and we view the grant applications as having merit.

Who is eligible to apply

4.1 The following organisations may apply to the Town Council for a Community Grant:

- a. Barton Town based charitable and/or non-profit making organisations.
- b. Citizen(s) of Barton Upon Humber requesting grant aid with a project/event, which will be for the benefit of the local community
- c. A Barton based club/association/charity/sports club serving a specific section of the community or the community as a whole. The more socially inclusive groups will be more likely to be successful in their applications.

4.2 While it is the Town Council's policy to give preference to groups/organisations/projects which are Barton based, applications may also be considered from:

- a. An organisation/group, local, regional or national which serves the needs of the town.

b. A local branch of a regional or national organisation/group which serves the needs of the citizens of Barton Upon Humber.

c. An organisation/group (local, regional or national) arranging a project which will be accessible and beneficial for the citizens of Barton Upon Humber.

4.3 To be eligible for a Community Grant an organisation must:

- Be established for charitable, benevolent, social, cultural, recreational or philanthropic purposes with a clearly stated social ambition for the community of Barton Upon Humber.
- Be able to provide a copy of its latest annual accounts and most recent bank statement.
- Have a bank account operated by a minimum of at least two joint signatories.
- Where appropriate, be able to demonstrate that Child and Vulnerable Adult Safeguarding measures are in place. This will be usually in the form of an appropriate policy that requires those working directly with children and vulnerable adults to be DBS checked and approved.

4.4 Applications do not have to be from groups that already exist but, in such circumstances, the council will need to be satisfied as the manner in which any project for which a community grant is sought will be delivered and may impose additional conditions on any grant awarded or delay the award until the project has been completed.

4.5 The application must be made on the official application form and must be returned to the Town Council via email or by post

4.6 The grant application will be assessed at either the full council or the community committee

Who and what is not eligible to apply

5.1 We will normally reject applications from:

- Projects which are the prime statutory responsibility of other government bodies or would normally be funded by a local or regional authority
- Projects which improve or benefit privately owned land or property
- Support for private business projects
- Applications by “for – profit” commercial organisations
- Projects which have already been completed or will have been by the time the grant is issued
- From regional and national organisations unless it can be clearly demonstrated that the grant would be used specifically for the residents served by Barton Town Council.
- From organisations with political affiliations or those established for the purpose of forwarding a party-political agenda.
- National appeals are, with limited exceptions, regrettably outside the legal scope of the Council’s grant-aid scheme

- Funding which is to be used towards the general running of the group / organisation; such as staffing costs and room hire

What can be funded

6.1 The project should be something that makes the local community a better place in which to live, work or visit it should be something that will provide a long lasting and sustainable benefit to our local area.

6.2 Projects may be funded if one or more of the following criteria are met:

- It should benefit people who live in Barton Upon Humber – i.e. your event/project is based within a DN18 postcode, it is accessible to anyone in Barton Upon Humber or is tailored to a specific target audience in the local area (i.e. a children’s group).
- It must be sustainable in the longer term
- It should engender a sense of civic pride
- Focusing on capital projects or one off events

6.3 Additionally:

- New or informal groups of people who have formed to undertake new projects - priority will be given to those who are doing something which adds value (i.e. improving facilities), rather than applications for running costs.
- Priority will be given to applicants who have not previously received grants from Barton Town Council previously.

The following are unlikely to be considered a grant priority

- Projects that simply replace existing facilities with no significant improvement
- Projects where there is a large shortfall in the funding required to complete the project will be reviewed differently. We may put forward an offer of a grant on the condition you receive the other funding within six months – please note, this money will not be sent through until we have evidence of other successfully awarded grants.
- However, all grant applications will be considered on their own merits.

Conditions of grant

- Barton Town Council support must be acknowledged as appropriate on all publicity and promotional material including posters, advertisements, press releases and leaflets.
- Barton Town Council can name your organisation on its own publicity of the grant awarding, including presentations, press releases, website content and social media posts (please note this is not an exhaustive list of all potential uses).
- Financial support can only be used for the purpose for which the Community Grant is given, and as such we consider our grant to be registered as “Restricted Funding”.

Failure to adhere to this condition could lead to the cancellation or reduction in the value of the grant.

- Grants must be used within 12 months of the date of the Grant payment.
- Grants will only be awarded for forthcoming projects – not retrospectively.
- The Council reserves the right to request a copy of invoices and/or other documentation as evidence that the expenditure has been incurred.
- If an organisation dissolves and the grant has not been spent the Council would expect the organisation to reimburse the grant-aid awarded.
- Organisations are not restricted to the number of grant applications submitted to the council for grant-aid over a period of time, however the history of previous applications will be considered in the decision-making process.
- The giving of a grant one year does not set a precedent for another year.
- Grants must not be distributed to any other organisation.

The decision of the Town Council is final, and the Council will not enter into correspondence concerning the assessment of the grant.
